LIVING SCIENCE CENTER

2015 Calendar of Events

December

Parents' Night Out

December 4:

Parents' Night Out

6 pm - 10 pm, River Legacy Living Science Center
Children ages 5 to 12 can join River Legacy staff for an Awesome Opossum night where they will learn all about these nocturnal neighbors! Participants will enjoy a pizza party, an opossum lesson, meet our Wildlife Ambassador Luna the opossum, go on a nature walk and create a craft. The evening will end with the movie Over The Hedge (PG). Cost is \$25 per child. Register online or call 817.860.6752, ext. 102 or 104 to register and pay for the program.

December 5:

Animal Exploration

2 pm, River Legacy Living Science Center
Discover the habits and adaptations of a native animal during a live animal observation with a River Legacy Naturalist. Free. RSVP to 817.860.6752.

December 10:

Nature Adventurers at River Legacy

10 am - 11:30 am, River Legacy Living Science Center
Join us for Adventures with Woodpeckers! These occasional classes provide a special hands-on learning opportunity designed especially for preschoolers and an adult partner to introduce them to the naturally fun learning at River Legacy. Children ages 2 years, 6 months to 5 years old with a parent/caregiver will participate in a hands-on lesson, classroom activities, story and song time, and go on a guided nature walk. Cost is \$15 per child/adult pair per class with \$5 for 1 additional child (maximum 2 children per adult). Space is limited, please RSVP to 817.860.6752, ext. 102. Payment is due at time of registration. Next Nature Adventurer class: Dec. 17.

**Nature Adventurers:
Dec. 10 & Dec. 17**

December 12:

Scout Badge Day

10 am - 2 pm, River Legacy Living Science Center
Naturalists will help Scouts complete some or all of the necessary requirements to achieve certain badges and/or journeys listed on our Website. All materials are provided, however badges are not supplied by River Legacy Living Science Center. Cost is \$10 per scout/sibling; parents/chaperones are FREE. Register online at www.riverlegacy.org. Pre-registration is preferred, but not required. Call 817.860.6752, ext. 119 for more information.

**Winter Classes at River Legacy
Living Science Center**

December 17:

Nature Adventurers at River Legacy

10 am - 11:30 am, River Legacy Living Science Center
Join us for Adventures with Owls! These occasional classes provide a special hands-on learning opportunity designed especially for preschoolers and an adult partner to introduce them to the naturally fun learning at River Legacy. Children ages 2 years, 6 months to 5 years old with a parent/caregiver will participate in a hands-on lesson, classroom activities, story and song time, and go on a guided nature walk. RIVER LEGACY
LIVING SCIENCE CENTER

2016 Calendar of Events

January

Animal Explorations

January 1:

Living Science Center Closed - New Year's Day

January 2:

Animal Exploration

2 pm, River Legacy Living Science Center

Discover the habits and adaptations of a native animal during a live animal observation with a River Legacy Naturalist. Free. RSVP to 817.860.6752.

January 9:

Nature Walk

2 pm, River Legacy Living Science Center

Explore the nature trails surrounding the Science Center on a family-friendly Naturalist-led Nature Walk. Free. RSVP to 817.860.6752.

Artini Hour

January 14:

Artini Hour

5:30 pm - 7:30 pm, River Legacy Living Science Center

Bring your holiday cards to up-cycle into a flower mosaic masterpiece on canvas. Instruction, supplies and a tasty adult beverage provided. This month's featured drink is Spiked Jones, spiked hot chocolate/coffee. Instruction starts at 6 pm. Cost is \$15 (\$3 for an additional canvas). Must be 21 & up, driver's license required. Space is limited. RSVP to 817.860.6752, ext. 102 or 104. Payment is due at time of registration.

January 16:

Saturday Story Time

11 am, River Legacy Living Science Center

Children of all ages are invited to listen to fun, seasonal stories presented by a librarian from Arlington Public Libraries. Stay after for related craft or activity. Free. RSVP to 817.860.6752.

January 20:

Science Night

6 pm, River Legacy Living Science Center

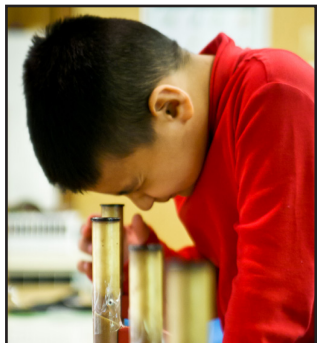

Why do baked goods rise? What is the secret behind getting an oily/fatty liquid to mix with a watery one, creating a creamy, delicious treat? How do global weather conditions impact your favorite candy bar? 7th & 8th graders will solve these science mysteries and more, then work together on a food-related engineering challenge. Grab your friends and sign up for Food Science! Cost is \$15. Pre-registration and payment required. Register online at www.riverlegacy.org.

January 24:

Kids Gone Wild

11 am - 6 pm, Fort Worth Stock Show

Visit River Legacy Living Science Center and other outdoor educators during the Kids Gone Wild event at the Fort Worth Stock Show & Rodeo in the Cattle Arena between barns 2 and 3. Kids won't even know they are learning while they are engaged in all the exciting interactive activities! It's a terrific opportunity to get in touch with agriculture, wildlife and outdoor activities. Sponsored by the Texas Wildlife Association. For more information, visit www.fwssr.com or www.texas-wildlife.org or call 1-800-839-9453. Stock Show admission required.

Science Night

Ongoing:

Backyard Composting

The City of Arlington Master Composters hold FREE composting classes the 2nd Saturday of every month at the display in the Center's parking lot. For more information, call 817.459.6778 or visit www.arlingtontx.gov.

Privet Patrol

9 am - noon, every 3rd Saturday, River Legacy Living Science Center

Guided by local experts, volunteers will help remove invasive privet from the grounds of River Legacy every 3rd Saturday of the month. Sign up to volunteer online at <http://riverlegacy.volunteerhub.com/Events/Index>

Animal Feedings
every Friday at 4 pm.

For more information about any of our events, visit www.riverlegacy.org or call 817.860.6752
